He Has Van Goghs Ear For Music and Other Famous Insults

Never in the history of the world has anyone beheld such a profoundly compact and reiterative compound symbol in the structure of any book, let alone a book that proclaims itself Divine, that defines and exemplifies the symbols in its own text, that was composed in three languages over a period of fifteen hundred years by multiple individuals from all walks of life, that transformed the world with its message, and that kept its secret hidden for centuries after its completion only to be revealed when it was simply "rolled up like a scroll" on the alphabetic pattern established within its own pages. A companion to twentieth-century german literature Ginzkey, Franz Karl von - Born at Pola, a former Austrian naval arsenal, Ginzkey studied in Fiume, Trieste and Graz before becoming an army officer in Salzburg, Braunau and finally Vienna, where he was employed in the Military Geographical Institute.
