## The Rover Boys in the Jungle; Or, Stirring Adventures in Africa

Indeed, such question starters seem to signal inherently open-ended thought, inviting multiple responses.

### Small Change, Big Impact: Fresh ideas for solving problems

The coursework that led to my dissertation research involved several mentors whose thoughts, ideas and inspiration are part of the final product. The Court emphasised that such statements are likely to strongly dissuade certain candidates from submitting their candidature and, therefore, to hinder their access to the labour market.
