Je conseille en particulier les livres Frissons. This is a glimpse of a probable future, one that is closer than one can think, with all its gradients of grey; with immortality and new sicknesses; with isolation and boredom as well as new ways to communicate and relate to reality; with new types of

humans, from the half-machines, or the symbiosis between men and aliens, to tranhumans.

And it is not my old memory that is wrong, I did look up the original. The pictures are creative and bring attention to each animal, adding to the poetry which is also written in varying format.
