This is not an either or question. By attending to the use and effect of liberal concepts -- strikingly, So takes on "democracy" as a key term -- the study performs a number of critical interventions: it argues for the efficacy of humanist ideals as communication; provides a network model for literary community; and revises the space of the Pacific as a coeval common ground.

of Tartary Father Grueber thus testifies: "This only I do affirm, that the devil so mimics the Catholic Church there, that although no European or Christian has ever been there, still in all essential things they agree so completely with

the Roman Church, as even to celebrate the Host with bread and wine: with my own eyes I have seen it.
